2. Reallocation of funding for Consolidation Committee expenses

Manager Arbaugh presented a request for approval to reallocate funding through a future Resolution for expenses related to the Consolidation Committee. The Consolidation Committee and its Sub-committees have a need for minimal expenditures that have not been budgeted. Any expenses incurred by either committee would need approval from the Consolidation Committee and the Joint Board before being paid. Manager Arbaugh recommends reallocation of \$2,500 from the miscellaneous economic development line item and \$2,500 from the printing and advertising line item. The expenses would be split 50/50 with the City of DuBois.

Motion by Mark Sullivan second by Kevin A. Salandra to reallocate funding for Consolidation Committee expenses. A roll call vote was taken.
